District Code of Conduct: How We Learn and Work Together

The Board of Education recognizes and welcomes its obligation to all members of the district community to provide a positive climate and a safe, healthy environment. As we learn and work together, we will truly celebrate and support the rich diversity that is our district community.

It is our collective responsibility and expectation that all district community members (students, staff, parents, and guests) comply with and enact the purpose and spirit of the British Columbia Human Rights Code, the Canadian Charter of Rights and Freedoms and the Canadian Human Rights Act including not engaging in discriminatory conduct on the basis of race, colour, ancestry, place of origin, religion, marital status, family status, physical or mental disability, sex, sexual orientation, gender identity or expression, or age of that person or that group or class of persons.* (BC Human Rights Code 2017).

To that end, we are committed to the expectation that all members of the district community will conduct themselves in an ethical and lawful manner that demonstrates respect for self, others, property, and the environment .
